Safe Harbor Statement Under the Private Securities Litigation Reform Act of 1995

Information in this presentation may contain “forward-looking statements” within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as “may,” “will,” “should,” “expects,” “intends,” “plans,” “anticipates,” “believes,” “estimates,” “predicts,” “projects,” or “potential” or the negative of these words and phrases or similar words or phrases which are predictions of or indicate future events or trends and which do not relate solely to historical matters.

All statements regarding our future performance, earnings projections, events or developments are forward-looking statements. These forward-looking statements are made based on known events and circumstances at the time of release, and as such, are subject in the future to unforeseen uncertainties and risks that could cause actual results to differ materially from those contained in any forward-looking statement. Such risks and uncertainties are described under “Risk Factors” in Item 1A of our annual report on Form 10-K and any updates to those factors set forth in our subsequent quarterly reports on Form 10-Q or current reports on Form 8-K. We make these statements as of the date of this disclosure, and undertake no obligation to update them unless otherwise required by law.
A premier industrial technology company focused on precision dispensing, fluid control and related processes.
